7 procedures for reinstatement elsewhere in this act, in the Medical Practice
8 Act or by rule and regulation of the board of professional discipline
9 provided; also, such reinstatements may be subject to further conditions

31 simultaneously with or at any time after the institution of proceedings
32 under this act or the Medical Practice Act, but only if it first finds, on
33 the basis of a responsible showing which satisfactorily demonstrates that
34 the physician in his capacity as such and for reasons set forth by
35 petition, affidavit, or other verified showing, or determined by it in
36 reliance upon other reliable proof, is causing great harm to the public or
37 to any patient or group of patients, or is imminently likely to cause such
38 harm, for which reason he or she and his or her license to practice
39 medicine should be immediately suspended or restricted or he or she should
40 be specially controlled, suspended in or restricted from the practice of
41 medicine. In such cases, the board may summarily, and ex parte, order
42 temporary conditions of probation, suspension or restriction of said
43 physician and his or her license and authority to practice medicine in the
44 state of Idaho, pending further or final order in the proceedings.
45 Thereafter the physician may, for good cause, request dissolution or
46 amendment of any such temporary order by petition filed with the board of
47 professional discipline, which petition shall be set for prompt hearing
48 before said board or, if necessary and if requested by the affected
49 respondent physician in the interest of early consideration, before a

RELATING TO HONORARIUMS OR COMPENSATION FOR MEMBERS OF BOARDS, COMMISSIONS AND COUNCILS.

MOTION: Senator Twilegar moved and Senator Budge seconded this be sent out with a "do pass" recommendation. Motion carried. Senator Risch will carry.

RS 5069 RELATING TO THE DATE OF THE PRIMARY ELECTION.

Senator Budge spoke on behalf of this legislation, which is asking that the primary be moved back to August from May.

Senator Twilegar: The bill you are trying to repeal has hardly had time to let the ink dry. I note there is no fiscal impact on this bill. Last year we claimed there was a \$300,000 savings by having the primary in May rather than August.

Senator Budge: I thought we could get this printed and then get the figures.

Senator Twilegar: I feel we should go through one election to see how it works to have the primary in May.

Senator Hartvigsen: I would like to say I support having the primary in August.

MOTION: Senator Risch moved and Senator Steen seconded this RS be sent to print. Motion carried. Senator Twilegar voted no.

RS 5386 RELATING TO APPOINTMENTS.

Senator Budge spoke on behalf of this legislation, which provides for the succession of appointment authority for certain officials in the event of failure of appointment by the governor.

Senator Risch: I agree with this and feel some time limit needs to be set.

MOTION: Senator Williams moved and Senator Twilegar seconded this be sent to print. Motion carried.

from any wheat that goes through nor do I make any profit from this. The Board has no authority to tell anyone who can run on this road. Twenty years ago when I was in the House, I tried to get guard rails along this road. The Board is trying to get safety features on this road. It was also said the Board gave extra weight limits for trucks on this highway. This is not true. Over-length permits have been issued.

Senator Budge: What term is this for you?

Mr. Moore: I finished out one and now this term if reappointed.

Senator Budge: Are you appointed to the Port or how does this work?

Mr. Moore: I am hired by a Commission to run the Port.

Senator Chase: I have heard alot of complaints over the years that you are using too many state employees and equipment when it could be done by private enterprise.

Mr. Moore: I don't feel this is true. The Board feels they do not want to be in the highway building business.

Senator Chase: People in the north feel there are problems in this area and feel you should work to solve them and was asked to relay this message to you. I have been critical of the fact that our area needs roads and the Lewiston area seems to be getting most of the funds.

Mr. Moore: One of our next big projects is going to be in the north.

Senator Swenson said action on this reappointment would take place at a later date.

SB 1328 BOARDS, COMMISSIONS, COMPENSATION.

A discussion was held on whether there was a need to amend this bill.

Senator Twilegar: I feel we need to get this bill moving. I would ask unanimous consent this be released on the floor.

HCR 46 LEGISLATIVE POLICIES ON STATE EMPLOYEES SALARIES.

From: 1980 House State Affairs Committee minutes 3/03/80.

MOTION A motion was made by Representative Chathurn and seconded by Representative Lewis that HJM 22 be sent to the floor with a "do pass" recommendation. THE MOTION CARRIED. Representative Fitz opposed the motion.

H 611 AMENDS EXISTING LAW TO REQUIRE THE DIVISION OF GENERAL SERVICES TO ADMINISTER THE STATE'S FUEL SERVICES PROGRAM AND APPROPRIATING MONEYS FOR THE PROGRAM.
Chris Smith, the Director of Fuel Services in the Office of Energy, spoke of the adverse affect on the fuel program this legislation would have. He told members that the bill would cause a reduction in credibility and accessibility to the citizens of Idaho. He said that the program had been successful under the Office of Energy. Representative Little asked Mr. Smith if he thought it would be better to authorize the existence of the Fuel Services Program under the Department of Administration rather than deny it existence. Mr. Smith said yes.

Les Purce, the Director of the Department of Administration, told committee members that the bill poses problems for the Department. He said that they are not prepared to accommodate the fuel allocation program. Representative Little asked him if they had the administrative ability if they were given the staff of the fuel allocation program. Mr. Purce said that they did, if they were given ample time.

Representative McDermott asked Mr. Smith if the money appropriated in the bill actually existed. Mr. Smith said that it did not. Representative Little explained that the figure was taken from the Governor's budget, and that the program would still be eligible for the federal funds even if it was under the Department of Administration.

Representative McDermott stated that there was no reason to change the Office of Energy, since it was working well, and put it in a Department that was geared for internal working rather than being service oriented in an external sense.

MOTION A motion was made by Representative Little and seconded by Representative Kennevik that H 611 be sent to the floor with a "do pass" recommendation. Representative McDermott made an amended motion that H 611 be held for further study and consideration. The motion was seconded by Representative Horsch, who expressed his support thereafter for the amended motion. Representative Little expressed further support for H 611. THE AMENDED MOTION CARRIED.

→ S 1328 AMENDS EXISTING LAW TO PROVIDE FOR HONORARIUMS OR COMPENSATION FOR MEMBERS OF PART TIME BOARDS, COMMISSIONS AND COUNCILS. Senator Risch spoke in support of S 1328, explaining that the purpose was to match members' compensation to their responsibility. In answer to a question regarding fiscal impact, Senator Risch said that the impact would be small on a department basis.

MOTION A motion was made by Representative Little and seconded by Representative McDermott that S 1328 be sent to the floor with a "do pass" recommendation. THE MOTION CARRIED. Representative Fitz opposed the motion.

S 1354 AMENDS EXISTING LAW TO ALLOW THE BOARD OF LAND COMMISSIONERS TO SET THE INTEREST RATE ON INSTALLMENT TIMBER SALES. Representative Little explained the bill, and urged support.

MOTION A motion was made by Representative Chathurn and seconded by Representative Little that S 1354 be sent to the floor with a "do pass" recommendation. THE MOTION CARRIED.

A motion to adjourn was made and seconded. THE MOTION CARRIED.

The Honorable Philip E. Batt
President of the Senate
State of Idaho
Statehouse

Dear Mr. President:

I have the honor to inform you that today I have signed and am transmitting to the Secretary of State the following signed Senate Bills, to wit:

SB 1438
SB 1328aaH
SB 1469
SB 1467
SB 1472
SB 1339

Sincerely,
/s/ JOHN V. EVANS
GOVERNOR

The correspondence was ordered filed in the office of the Secretary.

The President announced that S 1456 and the Governor's veto message were before the Senate for consideration at this time.

The Secretary read the following Governor's veto message:

March 28, 1980

The Honorable Philip E. Batt
President of the Senate
State of Idaho
Statehouse Mail

Dear Mr. President:

I have the honor to advise you that I am transmitting herewith, without my approval, disapproved and vetoed

SENATE BILL NO. 1456

within the time limited by law, the same having arrived in the Office of the Governor at the hour of 2:15 p.m., March 22, 1980.

SB 1456 significantly alters the process of petitioning for a rule change. Under current practice agency rules are adopted through the process outlined in the Administrative Procedure Act. Once adopted by the Legislature the rule may be changed either by statute or by beginning again the process outlined in the Administrative Procedure Act which includes specific provisions for public input.

SB 1456 would allow rule changes to be made by concurrent resolution of the Legislature, thus by-passing executive review and, most likely, public input. Such excessive legislative authority violates the concept of executive/legislative checks and balances which lies at the center of our system of government.

If SB 1456 were to become law, the result would be law-making through concurrent resolution and not through statute. Opportunities for the people of Idaho to receive notice about rule changes, to attend a hearing, and to influence the Executive Branch to sign or veto a rule change would be lost. It is my intention to protect these opportunities.

For these reasons, I have withheld my approval, disapproved and vetoed Senate Bill 1456.

Sincerely,
/s/ JOHN V. EVANS
GOVERNOR

The question being, "Shall S 1456 become law, the Governor's veto notwithstanding?"

Roll call resulted as follows:

AYES — Abrahams, Barker, Bradshaw, Budge, Carter, Craig, Crystal, Egbert, High, Klein, Little, Ricks, Risch, Steen, Swenson, Twilegar, Van Engelen, Verner, Watkins, Williams, Yarbrough. Total—21.

NAYS — Bell, Bilyeu, Black, Chase, Clemm, Dobler, Hartvigsen, Kiebert, Lannen, Leese, Manley, Merrill, Mitchell, Robison. Total—14.

Total—35.

Less than two-thirds having voted in the affirmative, the President declared the Governor's veto sustained and S 1456 was ordered filed in the office of the Secretary.

with more ease than it took to get itself into the authority in the first place. It took consent, through a special election, of all the counties in a region to establish the authority. Therefore, it follows that, once the electorates of all the counties in a region have approved creation of the authority, they all should vote on whether a county or counties can remove themselves. They agreed to accept a common responsibility to create and operate the authority. They should do the same to divest themselves of that common responsibility.

For these reasons, I have withheld my approval, disapproved and vetoed House Bill No. 623.
